## NOTICE

This is to notify all students that an Orientation Programme will be organized in collaboration with “Caterfly: Empowering Women Globally” — a joint initiative of Bradley University, USA, and the University of Calcutta — on 9th September 2025 at the college auditorium. The programme aims to foster female entrepreneurship, provide entrepreneurial education, mentorship, and resources, and create opportunities for internships, scholarships, and recognition as change makers. Selected students may also get the chance to participate in the USA Immersion Award programme.

All interested students are encouraged to attend this interactive session to learn about the initiative and the opportunities it offers.
